“All too often, senior leaders in an organization become unsung heroes. This is why SmartCEO designed the Executive Management Awards. The 2013 EMA winners are not only taking their companies and co-workers to new heights, but they are also leaders within the communities where we work and live,” says Jaime Nesor, group publisher of *SmartCEO* magazine, “We are honored to award each of these individuals and tell the stories of their achievements and contributions.”

More than 300 executives, friends and family attended the business cocktail event to celebrate the winners and their achievements. The evening kicked off with a cocktail hour and high-level networking where guests had the opportunity to snack and sip on hors d'oeuvres and an open bar. An awards ceremony followed the networking hour. Opening the ceremony, attendees were encouraged to interact with winners and guests through the event's official Twitter hashtag, #EMAwards. Continuing the event, high energy music welcomed each award winner on stage as they were recognized for their impressive achievements.
