## AtlantiCare extends partnership with Continuum Health

**Marlton, NJ** - AtlantiCare, a member of Geisinger, has extended its partnership with Continuum Health (“Continuum”) to provide revenue cycle services for AtlantiCare Physician Group’s more than 96 primary and specialty care locations.

With nearly 20 years of experience, Continuum is a leader in revenue cycle management, practice management and value-based care services. It provides insurance registration and verification, accounts receivable follow-up, payment posting, coding, and claims management on behalf of AtlantiCare.

“Since 2011, we have worked with Continuum to streamline our financial processes. We are transitioning more services to the Continuum team.” said Jatin Motiwal, vice president, AtlantiCare Physician Group & Regional Network. “The enhancements we have and will continue to make contribute to our overall efficiency – and most importantly – a better experience for our patients.”

“We are honored and energized by AtlantiCare’s decision to extend our contract,” said Peter Bailey, Continuum Health CEO. “We could not ask for a better partner. We look forward to the opportunity to help AtlantiCare Physician Group continue to expand its services as it enhances access to care in an increasingly challenging healthcare environment.”
